

What Previous Year's Participants are Saying

"[Private landowner] gave a human real life aspect to this whole matter. Excellent choice of presenter."

"All speakers were excellent and well informed. Those who received 5's [on the evaluation] from me spoke to my beginner level and I could quickly understand and keep up with the topic. Food was excellent too."

"The sheer knowledge and professionalism displayed by each representative present at this event has been phenomenal. Never before have I experienced such persons with a passion for their careers as I have this weekend. It is with this that I send my sincere appreciation."
