

# Spring Venture Outdoors Series

**Attention Landowners!** Are you a new or existing forest landowner wishing to know more about your trees from tree identification to improvement techniques within your forest? Each spring Virginia Cooperative Extension offers one-day short courses on management options for your timberland. Learn what you should know about thinning a stand of timber for the benefits of stand health, profit, wildlife and overall satisfaction.

**Class size is limited to the first 25 registrants so register early!**

**What?** This program will showcase timber stand improvement, invasive plant species management, wildlife and forest health. Tree identification exercise as a bonus.

**When and Where?** Two sessions (**attend one**) are **May 16 (Brunswick County, SVCC Alberta)**, and **May 18 (Franklin County, Skelton 4-H Educational and Conference Center)**. Sessions run **9:30 a.m. – 3:30 p.m.** and are \$20 per person, \$30 per couple. Deadlines are 10 days prior to each session. Lunch is provided and the day will consist of morning classroom, lunch, and afternoon field tour nearby (dress for the weather).
