

## Conference Description

This all day conference for owners of large or small tracts of land...

- is a virtual one stop/first stop for individuals, families, and managers to learn about woods, wildlife, and other natural resources.
- provides multiple links to information, sources of assistance and a better understanding of the natural resources around you.
- will explore a myriad of forest issues relevant to owners of woodland.

*"Informative, well run, not intimidating for newbies."*

- 2013 W&W participant
