

Sky Meadows State Park And the Shenandoah Chapter Virginia Master Naturalists presents:

Pollinator Workshop

Sunday, August 18 | 11 a.m. to 3 p.m.

What are pollinators, and why are they important? What are the primary threats to pollinators, and what can you do in your backyard to help save them? All of these questions and more will be answered at the Sky Meadows Pollinator Workshop.

Hear informative presentations on pollinator conservation from knowledgeable Virginia Master Naturalists, including a hike to explore pollinator plots in the park.

Construct a Bee Hotel to display proudly in your yard and receive a tray (4 pack) of native wildflowers to increase pollinator habitat in your backyard or balcony.

\$80.00 registration fee includes parking and lunch. Proceeds benefit the Shenandoah Chapter Virginia Master Naturalists' pollinator habitat initiatives in Sky Meadows State Park.
