

Conference Description

This all day conference:

- is for owners of large or small tracts of land;
- is a one stop/first stop for individuals, families, and managers wanting to learn about woods, wildlife, and other natural resources;
- provides multiple links to information, sources of assistance, and a better understanding of the natural resources around you;
- will explore a myriad of forestry and wildlife issues relevant to owners of woodlands.
- **program subject to change without notice.**

Is Roanoke too far for you to travel?
Already have plans on the 15th?
Good news! This conference is also
being offered on February 29
in Culpeper.
