

Important COVID-19 Information from VFLEP

Please read carefully before registering

- We will follow all current COVID-19 procedures as required.
- Face masks are required indoors regardless of vaccination status.
- Registration for all in-person events will be limited to ensure adequate physical distancing.
- Group transportation in vans:
 - The capacity of vans used for field trips will be 80% occupancy.
 - Face coverings are **required** for all occupants while in the vehicle.
 - 80 percent of seating capacity may be occupied. Maintain spacing when possible.
 - It is still recommended that travelers use the same seat while traveling to and from a destination.
- Sanitizing materials will be provided.
- If you feel ill, please cancel your reservation. Full refunds will be given to anyone who cancels prior to the day of the tour.
- If the COVID-19 situation changes, there may be additional requirements or the tours may be cancelled. Your safety and the safety of our speakers and organizers, are our primary concerns. We will communicate with all participants to keep you up to date.
- Please visit the Virginia Department of Health for more prevention tips:
