

Conference Description

This all-day conference for owners of large or small tracts of land...

- is a virtual one stop/first stop for individuals, families, and managers to learn about woods, wildlife, and other natural resources.
- provides multiple links to information, sources of assistance and a broader community of landowners and professionals.
- will explore a myriad of forest issues relevant to woodland owners.

Masking Required

"This is one of the best programs I have attended for the price; thanks to all those that organize it and I plan to be there next year."
