

## **2014 Holiday Lake Forestry Camp**

Want to inspire the next generation of foresters? Consider nominating a teen to attend the 68th annual Holiday Lake Forestry Camp, to be held June 16-21 at Holiday Lake 4-H Center. This field-based camp exposes teens to natural resource careers and real natural resource management skills, using the Appomattox-Buckingham State Forest as an outdoor classroom. The camp is open to any Virginia boy or girl aged 13-16 with an interest in natural resources, who has not attended before. A scholarship program keeps campers' costs low. The nomination form and more information can be found at [dof.virginia.gov/camp/](http://dof.virginia.gov/camp/). Nominations open in January and close in early April.
