

## Useful Resources

**Dovetail Partners** provides authoritative information about the impacts and trade-offs of environmental decisions, including consumption choices, land use, and policy alternatives. Check out one of their latest publications: *American Chestnut: A Primer on an Eastern Forest Icon*, [http://www.dovetailinc.org/report\\_pdfs/2015/dovetailamericanchestnut1015.pdf](http://www.dovetailinc.org/report_pdfs/2015/dovetailamericanchestnut1015.pdf).

**Forests for the Bay** promotes healthy forests and good forest management in the states surrounding the Chesapeake Bay. Sign up for their newsletter and learn more about their program at: <https://www.forestsforthebay.org/index.cfm>.
